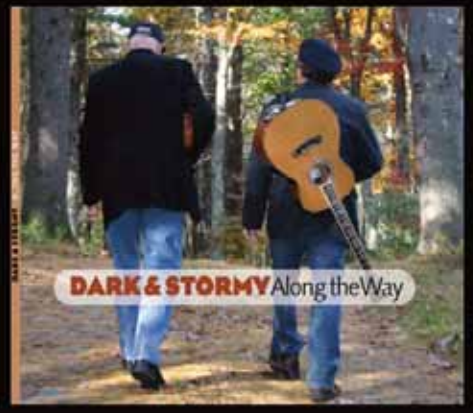
Wallet



DARK & STORMY CD PACKAGE
Involved co-ordinated design of all components: a 4-panel, 4-color environmental friendly cardboard wallet, containing a 12 panel 4-color glossy paper insert and the CD itself, 3 color silk-screen printed.
Consultation with the clients resulted in a special morning photo session, which yielded plenty of shots to choose from. Early consultation helped the client get to a final design decision quickly.

12-panel insert

Wallet with clean cut pockets

3-color Cd imprint
